Express Detail Services

Wax: A wax is applied by hand to enhance the shine of your vehicle and to provide a layer of protection for the clear coat.

Seats: Steam is used to bring out the dirt and some light stains trapped in your leather or cloth seats. Leather seats also get a cream protectant.

Carpets and Mats: Steam is used to remove dirt that is trapped in your carpets and mats.

Clean & Shine: Steam is used to clean down in the cracks and crevices of your dash, cup holders and door panels. Afterward, a protectant is applied to these areas.
