THANK YOU, SPLASH FAMILY!

A special thank you to everyone in the company for the hard work and dedication!

TEAM MEMBER SPOTLIGHT

SUMMER HUTCHINSON—

Summer has been the location manager of our Russellville Oil Change facility, branded as "SuperFast Oil & Lube", since accepting the position in the Spring of 2019.

Summer's story is one of resilience that has taken many turns along the way. There aren't many people within our company that can tout the experience that Summer possesses, but what makes her so special to Splash goes far beyond her technical skills.

What makes Summer such a special part of the Splash family is who she is as a person, as a woman, and as a leader.

No matter where Summer's career takes her at Splash, one thing is certain: SuperFast Lube and the city of Russellville are better because of her presence!

Join us in honoring Summer as you read about her journey to Splash.

"IF IT WASN'T FOR ME COMING ONTO THIS COMPANY, I DON'T KNOW IF I'D BE THE SAME PERSON I AM TODAY!"

To understand her current success, it's important to first learn about her formative years as a child. Her resilient spirit was developed early in life.

In 1993, she was removed from her home a day before leaving for Idaho and placed in social services state custody. At a crucial part in a young woman's life, she was adopted by her seventh grade teacher, who took her in as her own and was there during most of Summer's formative years.

In 2001, Summer was in need of a job. Through a temp service, she found Super Fast Lube and she was eventually hired as a ticket writer. Her boss at that time believed the oil change industry was no place for a lady and that females couldn't or shouldn't do that type of work. However, Summer was set on proving him wrong. Over time she would get bored with ticket-writing so she would ask to learn to do other things around the shop, like checking tires. Eventually, that became monotonous, so she requested to learn how to check air filters and change top oil filters. She went on to follow the same trend until the knowledge gap diminished between her and the other technicians.

After proving her manager wrong, blazing a trail for women in the industry, and working hard for eight years, she was promoted to Assistant Manager. In 2012, she felt a calling to step away from the business and transition into the education arena. She began in the Russellville school district as a substitute teacher. Then, she began her Master's program, but would return to SuperFast during school breaks.

In 2013, she graduated with her Master's degree, and left SuperFast completely to be a full-time teacher. Along the way, her hobby of fitness began to develop. She realized that being in a classroom wasn't allowing her to be as active as she was while working on her feet full-time at SuperFast.

In 2018, she was approached by the previous owner of SuperFast, with an offer to come back as the General Manager. She refused the first and second time she was asked.

"WE DON'T JUST CHANGE OIL, WE'RE THERE FOR EACH OTHER AND THERE TO TAKE CARE OF OUR CUSTOMERS."

"HOW YOU COME INTO WORK SETS THE STANDARD FOR HOW YOUR TEAM WILL RESPOND FOR THE REST OF THE DAY."

convinced otherwise when Paul extended her a job offer shortly after the meeting. A few days later, mid-workout, she received a personal call from Paul to follow-up on the offer. By the end of the conversation, Summer had accepted the position. Unlearning the way that she had run the store during her previous tenure, Summer set out to run SuperFast the "Splash way".

When asked about her leadership style, Summer said, "I don't ever ask my team to do anything I don't or wouldn't want to do. You have to be compassionate and understanding. You have to know you are the boss but don't have to act like it. Take the opportunity and work alongside of your team. I want my team to be happy and love coming into work and I know that starts with me as the leader."

Summer has served customers with excellence from the start of her time with Splash. We're incredibly fortunate to have Summer on our team.

CORE VALUE SPOTLIGHTS

KEEGAN KEMP—

Since he's been at Splash, Keegan has lived out our core values on a daily basis, regardless of circumstances.

He coaches our team and reinforces our values in a personable way that "sticks".

Keegan strives for excellence by always asking for feedback and ways to improve.

As the picture demonstrates, he is quick to live out "smile & have fun".

SPLASH CORE VALUES:

- S**trive for excellence
- P**assionately treat others with respect
- L**ook for opportunities to serve others
- A**ppreciate our customers & co-workers
- S**mile & have fun
- H**onesty & integrity

STRIVING FOR EXCELLENCE

JOSH HOLT

"Josh is consistently striving for excellence. Josh helped me open Chenal store, and within three months, is now the full-time manager of this store. He continues to "wow" us every week with his leadership. He works hard and serves customers with a smile, finding ways to make their day. Josh is also a dad to three boys and loves to spend time with them."

- Aaron Borders, Location Manager

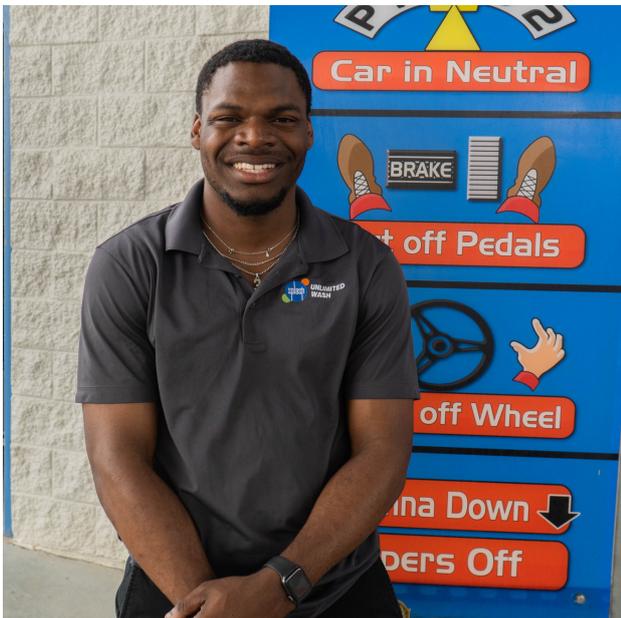

LOOKING FOR OPPORTUNITIES TO SERVE

DEMARCUS BURKS

"Demarcus is always willing to lend a helping hand when he gets the chance. Recently, Demarcus was not scheduled to work, but came by the store an hour before closing time to try and clean out his car. The closing team ended up getting hit with a rush of Interior Super Cleans. He decided to clock in and help his co-workers knock the cars out. This act of service was highly appreciated by all of the team members that were there."

- Bradrick Brown, Location Manager

PASSIONATELY TREAT OTHERS WITH RESPECT

JORDAN CHANCELLOR

"Jordan started his career with Splash (SuperFast) back in 2021 and has really made a name for himself. He is passionate about his team members and always strives to make people feel good. He is great at customer service and has been deemed the 'Flush King' here in Russellville. Recently, Jordan has taken on the extra role of Process Coordinator and is doing a great job. Outside of work Jordan loves to be around friends and family. He has a little boy that will be turning one in

May and is the apple of his eye. Jordan's life revolves around his son and making sure his family is taken care of. His passions include playing guitar and basketball with his boys. Not only is Jordan great with people from home to work, he was also voted to have the "best eyes" in high school according to his buddies Justin Via and Jordan Standridge. Jordan is a great example of a well-rounded individual that strives for excellence in all facets of life."

- Summer Hutchinson, Location Manager

SMILE & HAVE FUN!

ALI DANG

"Ali is always happy, smiling, and laughing with the team. He brings physical and emotional energy to our operation. The customer always comes first and it is hard to find anyone that will beat him to the opportunity to serve. He's a great example of appreciating customers and co-workers!"

- Codie Harmon, Location Manager

A man with short brown hair and safety glasses is kneeling on a grey surface. He is wearing a dark grey zip-up jacket with a logo that says "ash" in blue and orange. He is holding a red hose with a brass fitting. The background is slightly blurred, showing what appears to be an industrial or construction site.

DIFFERENCE MAKERS & REVIEWS

AARON BORDERS—

Before getting into the slew of Team Members who deserve recognition, we'd be missing an opportunity if we didn't begin with Aaron Borders. If you've been around Splash for long, you've likely run into Aaron in some capacity. You probably left that encounter feeling like a million bucks. He just has that personality.

This incredible attitude and positive demeanor, along with his work ethic and leadership abilities, make Aaron immensely valuable to our team.

Aaron is all about giving others recognition, but we wanted to specifically recognize Aaron for opening the Maumelle and Chenal Oil Facilities with excellence!

PARKER DIRST

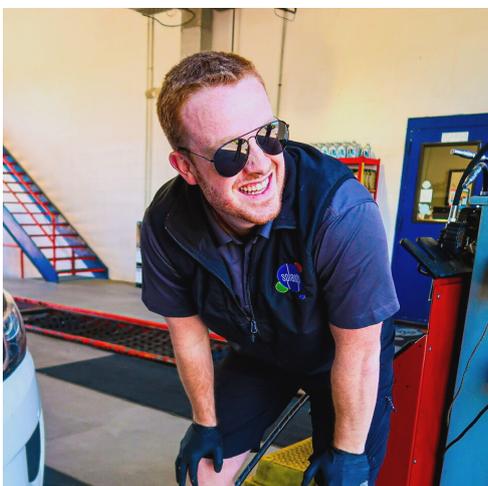

"Parker is an up-and-coming star in the business. At Congo, he's an Emerging Leader, Key-holder, and Shift Supervisor. Parker is trained in every position at the store. He takes great pride in helping keep our facility top-notch. Parker is hungry, humble and smart. He has the best ability you can have; defendability. He's rock solid and our team loves him for it. We are excited to see his continued growth and future with our company. "

- **Seth Weddle, Location Manager**

YAHIR MUNOZ

"Yahir is a full time student and athlete at Hendrix College, while also working about 35-40 hours a week at the wash. He began his Splash journey at our Rogers location & is now at our Conway location while he attends college. Yahir always strives for excellence and always looks for ways to help the team succeed."

- **Bradrick Brown, Location Manager**

COLE DIXON

"Cole is always finding ways to serve his customers and coworkers. He makes sure that both the Greenbrier Wash and Lube are open, clean, and ready for service early every morning. Cole is also very hard-working, self-driven, and does what it takes to get the job done with excellence. He is the type of person this company is always looking for. I am so happy that he is a part of our Splash family!"

- **Bradrick Brown, Location Manager**

CHRIS KNIGHT

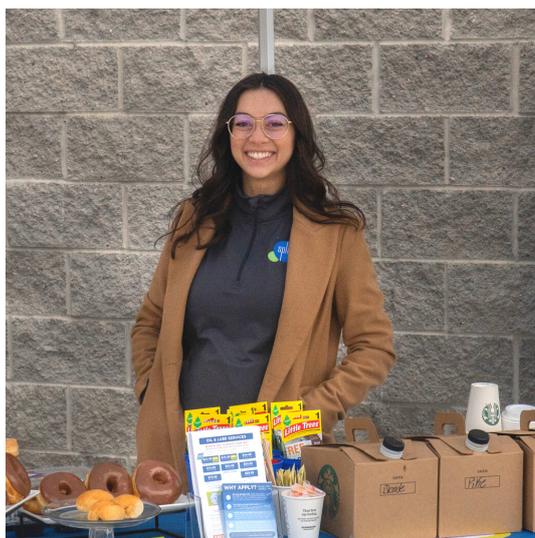

"Chris won the Spirit of Splash award for Congo. He's the top-selling Service Guru in the company and played a big role in breaking the company record for most plans sold in a single week. He is dependable and will do anything we ask him to do with a smile. He embodies what we look for in the hiring process, someone who is hungry, humble and (people) smart. Customers love him because he's down-to-earth, is very genuine, and honest. He appreciates his co-workers and they love working with him. He's an Emerging Leader. He recently became a Key-holder and Shift Supervisor. His future is bright!"

- **Seth Weddle, Location Manager**

CHARISA RODRIGUEZ

"Charisa is the 'make-it-happen' Queen. Regardless of what is thrown her way, she is always up for the challenge. She's a joy to have on the team and elevates the culture of our company and of our Marketing Team. She's responsible for all of the creative and great content you see on social media, as well as the thousands of customer responses on social media and other forms of customer communication."

- **Justin Young, Dir. of Marketing**

GARRETT HARTMAN

"Garrett is an incredible Team Member to work alongside. He elevates the level of professionalism, urgency, and commitment to excellence in any circumstance. Specifically, he has brought tremendous value to our facility standards and new store openings. You won't find many people who are willing to drop what they're doing at a moment's notice to go help their team when needed. He's a hard-worker, a good husband, & a great dad, too."

- **Justin Young, Dir. of Marketing**

SHINING REVIEWS

"The BEST customer service!! EJ was very helpful and made sure to explain how everything worked for us! We will definitely be back. Thank you for hiring people who care about about your customers."

- **Natalie Evans**

"Tired of paying 50-75 bucks every week or other week!!!!??? Well with Splash it's only once a month as many times as you want!! You can not beat that!!! And they get you right! Inside & Out!"

- **Amber Curry**

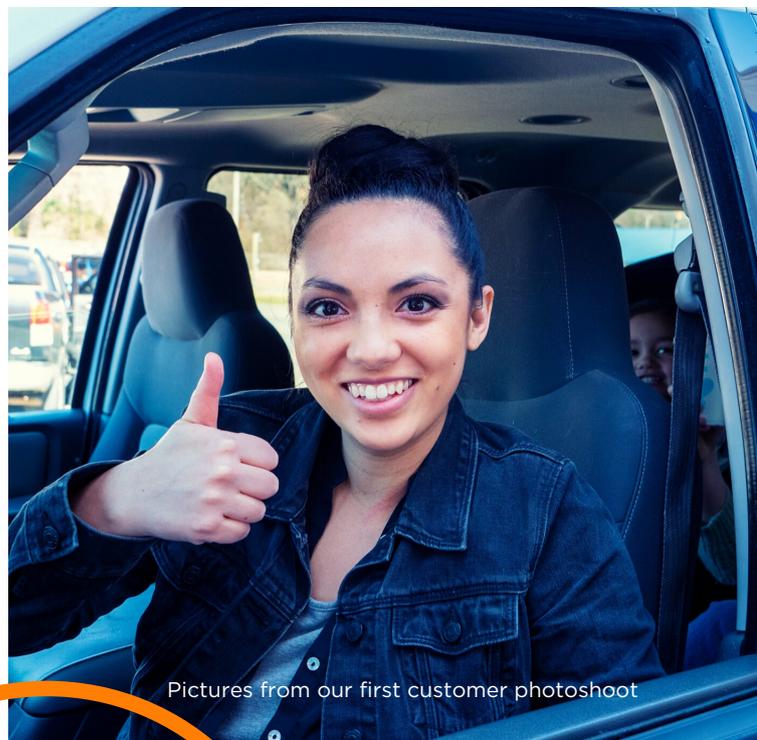

"This was the best experience we've had getting an oil change! Everyone was friendly and helpful, the service was excellent, and they made sure to explain things to us as they did it. Our car needed a little more work than we expected and the gentleman who talked to us about it was professional but extremely friendly. We'll be back for sure!"

- **Magnus Fraiser**

NEW FACES

MEGAN NOWELL—

Megan is a Location Manager at our newest wash and oil facility in Cabot. She previously worked for Chick-Fil-A and joined the team in January.

She lives in the Cabot area and has already demonstrated her incredible leadership gifts. Bringing people like Megan onto the team really elevates the level of professionalism and service we are able to provide our team and our guests.

She will be working alongside Bryan Hooten to provide the community with a phenomenal experience each time they choose Splash.

NEW FACES

Alice, a UK native, joined the team in January and works at our Home Office as the Executive Assistant. She is married to Josh Harmon on our Facilities team. Together, they have a son (Miles) & daughter (Isla).

Alice Harmon

Bryan Beene

Bryan joined us in December and is in full-swing servicing our JFK location. Bringing a diverse skillset in mechanical systems & plumbing, Bryan will lead the team responsible for service & preventive maintenance at our current locations.

Roland, a Hungary native, joined us recently in February. He & his family live in Maumelle now and Roland primarily works at our Home Office. He is responsible for vendor relations & project management for our new locations.

Roland Csege

Shawn Lee

With previous IT experience, Shawn is another recent addition to the Splash family. Him coming onboard allows us to expand our IT support of existing facilities, while also increasing the capacity for new-store installation.

Nick joined us in January of this year & has been a huge asset to the operations team in just a few short months. He is on our Service Team and has already hit the ground running, serving our stores & improving our wash quality.

Nick Hefley

Peyton Lasley

Peyton brings an important skillset to our Install team as he is an experienced welder. This expands the capacity of our Install Team. He joined the Facilities Team in February and is excited to help Splash open our upcoming, new stores.

As the most recent addition to our Accounting department, Clint works part-time as he finishes his law and accounting schooling. Clint is from El Dorado, AR. He's also married to his wife Emily and together they have a son (Carter).

Clint Hays

QUARTER'S FEATURE STORY

BEN HURST—

Out of everyone on our team, you'd be hard-pressed to find anyone with a more positive outlook & demeanor than Ben.

He's been here for over 13 years and has found his niche in being the go-to-guy for handling anything the team needs. He's the kind of guy that would give you the shirt off his back!

On our Facilities Team, he serves in a variety of ways. You can find him most-commonly working with our Install Team at new locations, but is always willing to lend a hand wherever he is needed.

Ben is the oil that keeps the engine running!

16 members. 12 projects. 10 trade skills.

ONE TEAM

Our Facilities Team has a common aim: to serve and support our Operations Team while providing a quality product for our customers. This is carried out in multiple ways, from our Install Team ensuring our state-of-the-art facilities are setup with excellence, to our Service Team coming alongside Operations to help maintain our current locations' equipment and facilities. Our Support Team provides IT solutions, carpentry, and various other projects that reinforce the team's desire to serve our operations team.

“

“Led by Nathan, this team can conquer any challenge they face. I'd take this team against any in the country, and I really mean that. There isn't a harder-working group around. Nights, weekends, early mornings, late nights... whatever it takes to get the job done. On top of that, they come to work every day with a smile on their face, are solutions-oriented and possess the skills necessary to tackle the challenge at hand. They carry themselves with a little swag. I'm proud to work alongside them.”

THREE FOCUSED TEAMS

INSTALL TEAM

Our Install Team is a group of professionals that are responsible for the installation of equipment during facility remodels and new location builds. They install everything from our water reclamation system to our wash equipment to our carwash tunnel controller and motor control center. They are skilled electricians, plumbers, welders and mechanical system installers.

SUPPORT TEAM

Our Support Team is responsible for supporting our Install and Service Teams as well as providing support for our Operations Team. These members help at both new store installations and existing facilities with everything from IT support to carpentry, from project management at new sites to small projects and deliveries of materials and equipment.

SERVICE TEAM

Our Service Team Members are responsible for the equipment at our facilities. They oversee the carwash tunnels, automatic and self-serve bay equipment, making sure they are performing optimally to produce the best product for our customers. These Team Members with diverse backgrounds in mechanical systems, welding, plumbing, electrical systems and carwash functions also partner with the store Operations Team in maintaining the overall excellence of our facilities.

JOSH HARMON

Josh was born in Little Rock, AR, graduating high school from Southside Bee Branch. Upon graduating, he went to work in sales for Glazers. In 2015, he got the travel bug and took an extended trip to Asia, where he fostered his passion for international travel.

Upon returning from Asia, he went to work for a cabinet company, but couldn't shake the urge to travel. He went on to travel to Europe, where he met his wife, Alice. Three months

later, they were engaged and were then married in 2018. Josh & Alice lived in London for a few years after first marrying, where they had their two children, Miles and Isla.

They moved to the United States at the end of 2021. Both Josh and Alice are a part of the Splash Family now. Josh serves on our Installation Team within our Facilities Department and Alice is the Executive Assistant to the CEO at ourHome Office.

TOJUAN RATLIFF

Tojuan was born and raised in Conway, AR. After getting restless in his counseling and therapy role, Tojuan was seeking a change of pace. After stopping by Splash, he landed a job under the leadership of Shea Decker. He began as a SWAT Team Member in 2012. When presented with the opportunity to manage our Morrilton location, Tojuan took ownership of it, even performing service-related tasks. He learned quickly that he loved working with his hands. Tojuan said, "Give me some tools and let me work on this" often

as he was first learning. He went on to say, "Splash is a great place to work for, they have a great core value system, great people who really care, a great home-feel, and it never gets boring. It's something different every day and that's what keeps you engaged. This company will challenge you, it will give you room to grow. That's what I love about it." He is Married to his wife Kiera. They have three children, Kaveion (12), Sariah (11), and Lilea (6). They also care for their niece, Addison (12).

100% INSTALLED BY OUR TEAM

Splash is characterized by doing things a bit unconventionally at times. Most carwash operators have the general contractor or a third-party service team do the installation of their equipment.

At Splash, our Install Team installs 100% of our equipment, from the conveyor belts, to the water reclaim systems, our team does it all.

They have spent thousands of hours dedicated to perfecting this skill and have done an incredible job with the opening of our first new carwash tunnel since 2018 (Cabot).

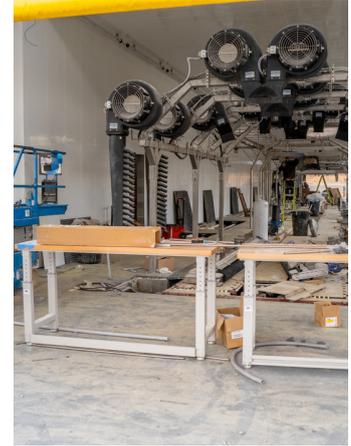

100% MAINTAINED BY OUR TEAM

In addition to doing the complete installation at our new stores, our Facilities Team also handles all of the ongoing maintenance and preventive maintenance at our current locations.

From air valves to chemical intake to monitoring the pressure of our contouring wrap brushes, the Service Team can do it all.

Their servant-minded culture and commitment to excellence makes a huge difference to our Splash Family and to our customers. Putting out a clean, dry, and shiny car is their speciality!

THEIR MOST RECENT TEAM WIN

CABOT IS OPEN!

The Facilities Team most recently finished our newest wash location in Cabot. With this being our first build since 2018, a lot has changed to improve our facilities and wash quality. From the equipment setup to the knowledge that our most recently hired Team Members have brought to the table, our Cabot Wash is the best wash tunnel in the entire company. This build was very foundational for our Facilities Team to dial in exactly what is needed at each new project. This tunnel is 150 ft., our longest tunnel, and is quite the light-show as well. Good job, guys!

NEW & NEXT LOCATIONS

MAKING A SPLASH—

With much our West Little Rock and Maumelle stores on the horizon, the opportunity for team member growth is plentiful.

Our Director of Operations, Griffin Kuhn always says, "We never promise growth, but we do promise opportunity for growth".

Over the next few years of expansion, our Team Members will be provided plenty of opportunity to rise to the occasion by living out the Splash core values.

The growth is exciting, but is hugely dependent on our people seizing the opportunity to step up and step into leadership.

Our new facilities will primarily be express tunnel washes. All will be state-of-the art facilities!

4 LOCATIONS OPENED

The last quarter was a big one for Splash! It was a group effort, spearheaded by the aforementioned Facilities & Install Teams. The future is bright for the Splash family, with much growth and opportunity on the horizon. This first wave of new locations is a foundational step for Splash. We are encouraged by our Chenal, Cabot, and Maumelle Oil Change locations, reinforcing the notion that customers are craving a nice, clean, and quick facility to take care of their oil change needs. Our Operations Team and other supporting departments like HR, Marketing, and Accounting all put immense amount of effort into these openings. Because of the team effort by our incredible people, all 4 locations opened with excellence.

Cabot Ribbon Cutting Event, March 2022

NEW STORES

It's hard to believe that it has been 2018 since we built our last full-service wash. The time has come! With our Cabot Express Wash Tunnel open, we're now gearing up for two incredibly unique and exciting locations. They will be two of the largest stores in the United States at over 35,000 sq. ft. The Maumelle location is a renovated Walmart Neighborhood Market and the West Little Rock Location is taking the place of the previous Altitude Trampoline Park. Equipped with a double wash tunnel in West Little Rock and indoor member vacuums at both, these facilities will be unlike anything Arkansas has seen before.

W. LITTLE ROCK (CHENAL)

MAUMELLE (AUDUBON)

FUTURE LOCATIONS

- West Little Rock (Chenal)
- Maumelle (Audubon)
- Sherwood (Kiehl)
- Russellville (Main St.)
- Greenbrier (Hwy. 65)
- Bentonville (Redbud)
- Fayetteville (Joyce)
- Conway (Dave Ward)
- + more in progress!

SPLASH IN THE NEWS

PUBLIC PRESS RELEASE | JANUARY 2022

SPLASH BRINGING ONE OF THE NATION'S LARGEST CAR WASHES TO LITTLE ROCK

LITTLE ROCK, Ark. (Jan. 12, 2021) –Arkansas-based, family-owned Splash Car Wash is completing work on one of the top-10 largest car wash facilities in the nation later this Spring. It will be located in Little Rock at 15701 Chenal Parkway (former Altitude Trampoline Park).

Splash Chenal EOL, LLC purchased the property in June 2021. The 35,233-square-foot facility marks the company's 14th location. Features will include: Two car wash tunnels, two express interior cleaning belts, indoor member vacuums, 10-minute oil change facility on-site, ultra high-speed charging station for electric vehicles, state-of-the-art water recycling system, energy-saving motors touch-less kiosk experience with license plate recognition technology, kid-friendly and relaxing lobby with refreshments.

“Because of the years of experience we have cleaning cars coupled with the opportunities we’ve had to travel the U.S. and western Europe studying best practices, we are able to bring a unique and memorable experience to our customers,” Paul Stagg, Splash founder and CEO, said. “But all of that would be wasted if it were not for our genuine and caring team that loves to serve others.”

In addition to the Little Rock facility, Splash plans to begin an additional eight locations in 2022 including Maumelle (117 Audubon Dr.), Cabot (210 Willie Ray Dr.), Conway (870 Enterprise Ave.), Bentonville (1005 S. Walton Blvd.), Greenbrier (98 S Broadview), Russellville (E Main St.), Sherwood (near the corner of Brockington & Kiehl). Colliers is also providing brokerage, development and facility management services for each location.

SMILING FACES OF SPLASH

BRYAN HOOTEN—

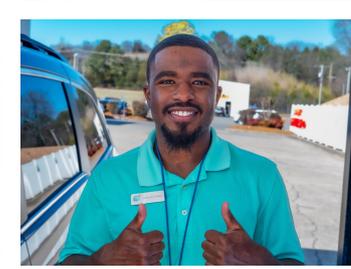

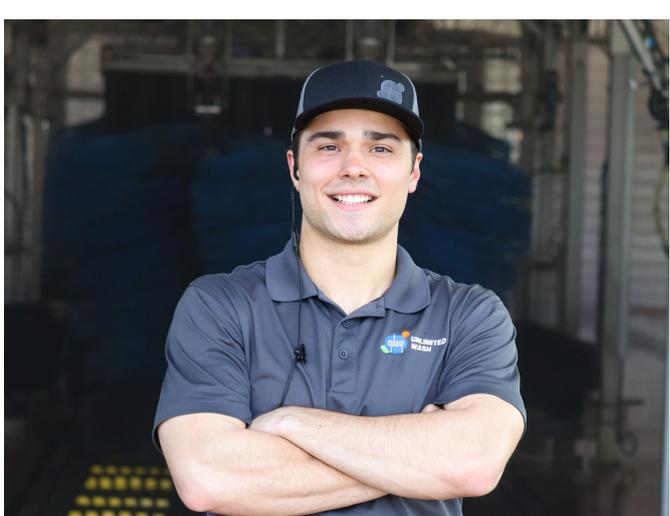

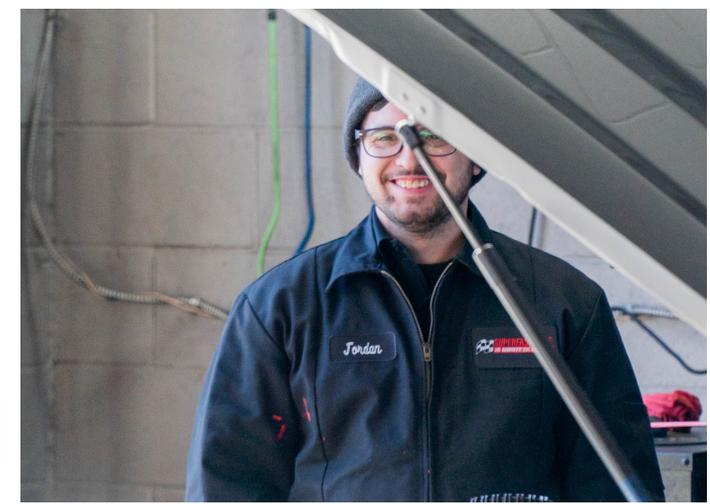

There's just something about working at Splash that makes you want to smile.

Despite his military background, work ethic, and drive to be the best, Bryan Hooten can't even help but smile.

More importantly, this serves as a "shout-out" to Bryan for doing such a phenomenal job, alongside Megan and team, in opening up our Cabot location.

The following few pages serve as a reminder of our "one family" verbiage throughout the newsletter. Though spread apart, we carry a common mission: share a smile and give people service like the good-ole-days.

SMILING FACES OF SPLASH

SMILING FACES OF SPLASH

THANK YOU!

Dear Splash Family,

To our dedicated, hardworking employees and our loyal customers. Thank you for making 2021 the best year we as a Splash Family could've had. The past year provided many great memories, new challenges, and an abundance of opportunity. Together we were able to continue to do what we do best: providing best-in-class wash, oil change, and express detailing services. Our growth is exciting, but we'll forever cherish the "early years". As we look ahead to opening more state-of-the-art facilities, remember that bringing ear-to-ear smiles to our customers is one of the most impactful things we can do. We wouldn't be able to tackle the growth ahead and the business of each day without you. Because of our customers and team, we are able to continue expanding to reach every corner of our state with a great wash and oil change experience.

Thank you, again. This year will be a memorable one for our Splash family!
