

Mail-in Embroidery

Want to make a splash with your own swag? Now you can.

Check out the process below:

1. Print and fill out the form below. Denote which logo you would like embroidered and if you'd like it in blue or white.
The vendor will already have the approved logo files, sizes, colors, and placement.
2. Package and mail your form and clothing item to:
Angela Conrad, Inc.
310 Amity Rd
Conway, AR 72032
3. ACI will embroider the logo onto your clothing and mail it back. You will be responsible for paying to ship it there. Splash will pay for the embroidery and the shipping back to you.

Notes:

- ACI Disclaimer: If anything happens to the garment, we do not replace it nor give credit for it. (Example: Sometimes a needle will break and punch a hole in something)
- Make sure your garment would fit into Splash [Men's](#) and [Women's](#) Dress Code if you plan to wear it to work and/or would represent Splash well when worn in public.

Print and include with order
